Spanish Grammar II

This course is for students to gain exposure to the Spanish language through usages of learning verbs, grammar rules in the Spanish language, and forming phrases and sentences to build communication skills and a wider vocabulary. Starting at a young age with hearing and seeing the language in action is an excellent building block for learning the desired language and enjoying it. Mason believed that children should hear the language spoken; first, it's then that they can enjoy seeing the words in print truly. In Spanish Grammar II, the student continues learning through speaking and listening to Spanish as a second language. This course is the third stage of this desire to learn a second language while increasing vocabulary, learning more grammar rules, and increasing the number of verb conjugations built from Spanish Grammar I. It is now that the student will grow in his creating dialogue, learning more verb conjugations, and increasing basic sentence structure and phrases with some compositions. This class will assist in building conversational skills, both verbal and written in Spanish.

This course will be online through the Canvas platform, where any assignments and additional communication will be posted. We will be meeting live using Zoom as our means of seeing, hearing, and speaking Spanish as a class. We will be using the Alveary Spanish Grammar II Lessons for Form 3 (Grades 7-9) and supplementary items. It is a 36-week class that will meet online twice a week. Homework will be minimal because most assignments will be completed within the class time; however, occasionally, if a child is interested additional supplements can be done if a child is particularly interested in the subject outside of class time. Exams will be given and graded for each term.

Canvas platform will be used for communication and is free. Each student will need an email account to register. You can register using a parent's email account, but they will need it to access the course. If registering with more than two children, there will need to be two email accounts for each student.

Supplies needed:

Canvas account (information sent out)

- Print out the Spanish Grammar II Work Book from the Alveary
- Print out the Lesson Plans from the Alveary
- Print out the Modern Language Notebook on Canvas under printable files.

Pre-requisites: Must be in 6th grade and up and have taken Spanish Grammar I.

Live meetings- Will be held weekly on Tuesday and Thursday 3:30 pm -4:05 pm
